# FREQUENTLY ASKED *Questions*

# FREQUENTLY ASKED

## Questions

### *Will there be a wet weather option for my outdoor ceremony?*

Absolutely! Every outdoor event we host has an alternative wet weather back up, selected by availability across the property. Ceremony decisions are made on the day, informed by weather forecasts. Your Wedding Coordinator will identify and reserve the most appropriate space for your event.

### *Can I have my own MC?*

Of course, you can! This is a very personal opportunity to involve a friend or relative in your special day. Plus, we believe having an MC who knows you personally is always a great choice for those heart felt words and some tasteful humour.

### *Can I bring my own catering or alcohol for my wedding?*

No food or beverages of any kind, other than those provided by the hotel will be permitted onto the hotel's property without consent of the hotel. We do not permit external catering (other than a wedding cake). Please speak to your Wedding Coordinator if you have any further questions.

### *Can I get ready for my wedding on-site?*

Yes, you can! We recommend booking accommodation for the night prior to the wedding. Hair stylists and make-up artists are most welcome to assist with preparing you and your bridal party in room. It is a good idea to book your room for 2 nights, to avoid check-out times and focus on celebrating!

### *Can I have my pet walk down the aisle too?*

There is nothing quite like including your fur baby in the ceremony. Pets are only permitted at ceremony venues, and must not enter any restaurants or hotel buildings across the property. All animals must be looked after by a carer, on a lead, and any mess must be cleaned up immediately. Charges do apply if any damage or mess is incurred. All animals must be taken off the premises before the commencement of the reception.

### *Who will set up my centerpieces and decorations for the reception?*

If providing your own centrepieces and decorative touches, we ask that they be delivered to the venue the week of the wedding, and no later than 24 hours prior. We kindly ask you engage a professional wedding planner, stylist, or loved one to place your Reception items on the day. Our Wedding Coordinators will discuss this in detail during your final appointment, around two months prior to your wedding.

# FREQUENTLY ASKED *Questions*

*Is there a curfew on any of the reception rooms?*

Please note curfews do apply at some venues due to the proximity to accommodation. Music must finish by 10pm, with the reception ending by 11pm.

*Yay! I've booked. Now What?*

Now is the time for you to start locking in your suppliers such as celebrant and photographer. Organising bridal party outfits and cakes is a good idea too. Your Wedding Coordinator is there to assist with any questions you have along the way. Your menu tasting is held two months prior to your wedding. Tastings are complimentary for two guests in both the Emerald, Sapphire & Diamond packages. Your Final Consult is held one month prior to your wedding. Your Wedding Coordinator will review every fine detail of your day, including menu and beverage selection, providing a confirmed timeline of your wedding day!
